TREC TASTER DAY(S)

An initial UNMOUNTED training day will be held on Sunday 23 July at SY5 8EB from 10.0 am to approximately 4.0 pm. We will work on basic map reading skills, including using your compass, orientating your map, using handrails, copying your map within the time allowed and other orienteering skills. We will also have an introduction to the other two phases, MA (control of paces) and PTV (cross country) obstacles. Please bring along a packed lunch. Tea, coffee and cake will be provided. A donation to cover minimal expenses and towards FPS-MWSG funds will be appreciated.

We are also planning a MOUNTED training day in September, where the skills learned in July can be put into practice. We are planning a mini POR (orienteering ride), and a chance for everyone to try out the MA and some PTV obstacles.
